

## Why Do Wives React?

### CAUSE

### SIGN

___ Have you failed to be a spiritual leader?	Your wife feels insecure.
___ Have you allowed problems to continue and even get worse?	Your wife feels helpless and finally takes matters into her own hands.
___ Have you not supported your wife in disciplining the children?	Your wife blames you for rebellious children.
___ Do you spend extra money on things which you enjoy?	Your wife resents the financial pressure under which the family must live.
___ Do you accept yourself?	Your wife feels the same rejection.
___ Do you praise or admire other women?	Your wife feels inferior and jealous.
___ Do you verbalize love only when you want a physical relationship with your wife?	Your wife feels degraded and used and finds it hard to love you.
___ Do you forget anniversaries and other special occasions?	Your wife feels that she is unimportant and not cherished by you.
___ Do you praise your wife for specific things?	Your wife feels frustrated in not knowing how to please you.
___ Do you fail to spend time talking with your wife?	Your wife finds others who will listen to her true feelings.
___ Do you fail to notice the little extra things your wife does for you?	Your wife loses her creativity for you and your home and looks for outside interests.
___ Do you make bad judgments and unwise business decisions?	Your wife resists your will in future decisions.
___ Are you sometimes not alert to dangers which your wife faces?	Your wife feels unprotected.
___ Do you neglect needed home repairs?	Your wife builds up resentment and impatience.
___ Do you fail to have good manners or consistent manners?	Your wife loses self-worth and feels isolated from your real world.
___ Do you lust after other women?	Your wife feels inadequate in trying to meet your physical needs.
___ Do you lose your temper and fail to ask for forgiveness?	Your wife reacts to your pride.
