

Encountering Jesus Through Listening Prayer

1. Ask Jesus to show you what He has for you in His Word.
2. Start reading, highlight anything that 'jumps' out at you.
3. In your journal write down the Scriptures that you highlighted. Personalize them whenever possible.
4. Skip a line and write your response—ask Jesus how it applies to you.
5. IMPORTANT!! Put down your pen, and listen with your *heart—what is Jesus saying to you?*

WRITE IT DOWN and dialogue with Him!
